

Catholic **Charities** WEST VIRGINIA

2024 Impact Report

Mission

Guided by God's love, Catholic Charities collaborates with community partners, parishes and families to provide caring and compassionate services to people in need and work toward lasting and meaningful change.

Vision

We envision a West Virginia where all people can access the services they need to be happy, healthy, and reach their full potential.

A Message From Our CEO

Dear Friends,

As we reflect on another year of service, we are deeply grateful for the support and generosity of the donors, partners, and volunteers who make our work possible. Catholic Charities West Virginia continues to be the largest nonprofit provider of social services in the state, and through your partnership, we've been able to make meaningful strides in addressing the most urgent needs facing our neighbors.

The call to serve and love one another is at the heart of everything we do. Beyond providing immediate services, we continue to fight for lasting change through outreach, education, and advocacy. This year alone, we've helped thousands of individuals with food, shelter, child care, and other essential services across West Virginia.

Your commitment to supporting Catholic Charities West Virginia reflects a shared belief in the power of love and service to transform the lives of our neighbors. With your continued partnership, we can expand our reach and make a lasting difference in the lives of those facing adversity.

Thank you for standing with us and helping to make these efforts possible. Together, we are making a difference.

With gratitude,

Mark Phillips

President and CEO
Catholic Charities West Virginia

Faces of Hope

After a tornado destroyed his home, Will narrowly escaped tragedy and faced heartbreak and uncertainty. With no insurance, he struggled to rebuild, but Catholic Charities West Virginia's Disaster Services team offered vital support. Surrounded by family and community, Will's determination to move forward remains strong, proving the power of hope and resilience.

Mary "Froncy" Pratz embodies the spirit of volunteerism with her three-decade dedication to driving the East meal route for Catholic Charities at the Neighborhood Center. She finds joy in helping others, connecting with people along her route, and believes even small efforts can create meaningful impact.

PJ's journey from fear and instability to a safe, stable home is a powerful reminder of the impact of support. With help from our team and partners, she found a place to call home. Her gratitude for the simple joys of safety and security inspires us all. We're honored to be part of her transformation.

After seven years of homelessness, John Landon sought help from Catholic Charities in Parkersburg. Through case management and community support, he secured an apartment and moved in. With donations from St. Francis Xavier and essential supplies, John's journey from homelessness to a new home showcases the power of compassion and community.
